

Masport

MASPORT CHIPPER SHREDDER

The Masport petrol garden shredder is ideal for successful recycling of organic waste. The chipper will break down branches up to 65mm, creating a fine mulch that's perfect for composting.

- Powerful 6.0HP Briggs & Stratton Engine
- Reduces Material to at least 20% of its original volume
- Weeds are reduced to a fine mulch so they cannot re-root
- Larger branches can be feed through side chute
- Choice of two grates, the standard model is designed for fine mulch; the optional grate is designed to avoid clogging with damp leaves and foliage

Bar Grate reduces branches up to 65mm to a fine mulch

Optional bar grate available for reduced chances of clogging when shredding damp leaves and foliage.
